

# Radiant Light Retreats

## The South of France

Set in the stunning location of the foothills of the French Pyrenees, Radiant Light retreats benefits from the special healing energy of Canigou, the sacred mountain of Catalonia. The lush green surroundings of "La Méditerranée Verte", creates a sense of abundance, tranquillity and close connection to the earth.

Our guided transformational retreats offer a unique opportunity to change the aspects of your life that no longer serve you, moving into a more fulfilling and creative state. We will assist you to identify key issues through a process of exploration of your inner landscape and consequently create a "programme" for the next steps on your journey
